

Open Coast Pride Picnic and Community Celebration

Sunday, June 23rd 4:00pm - 7:00

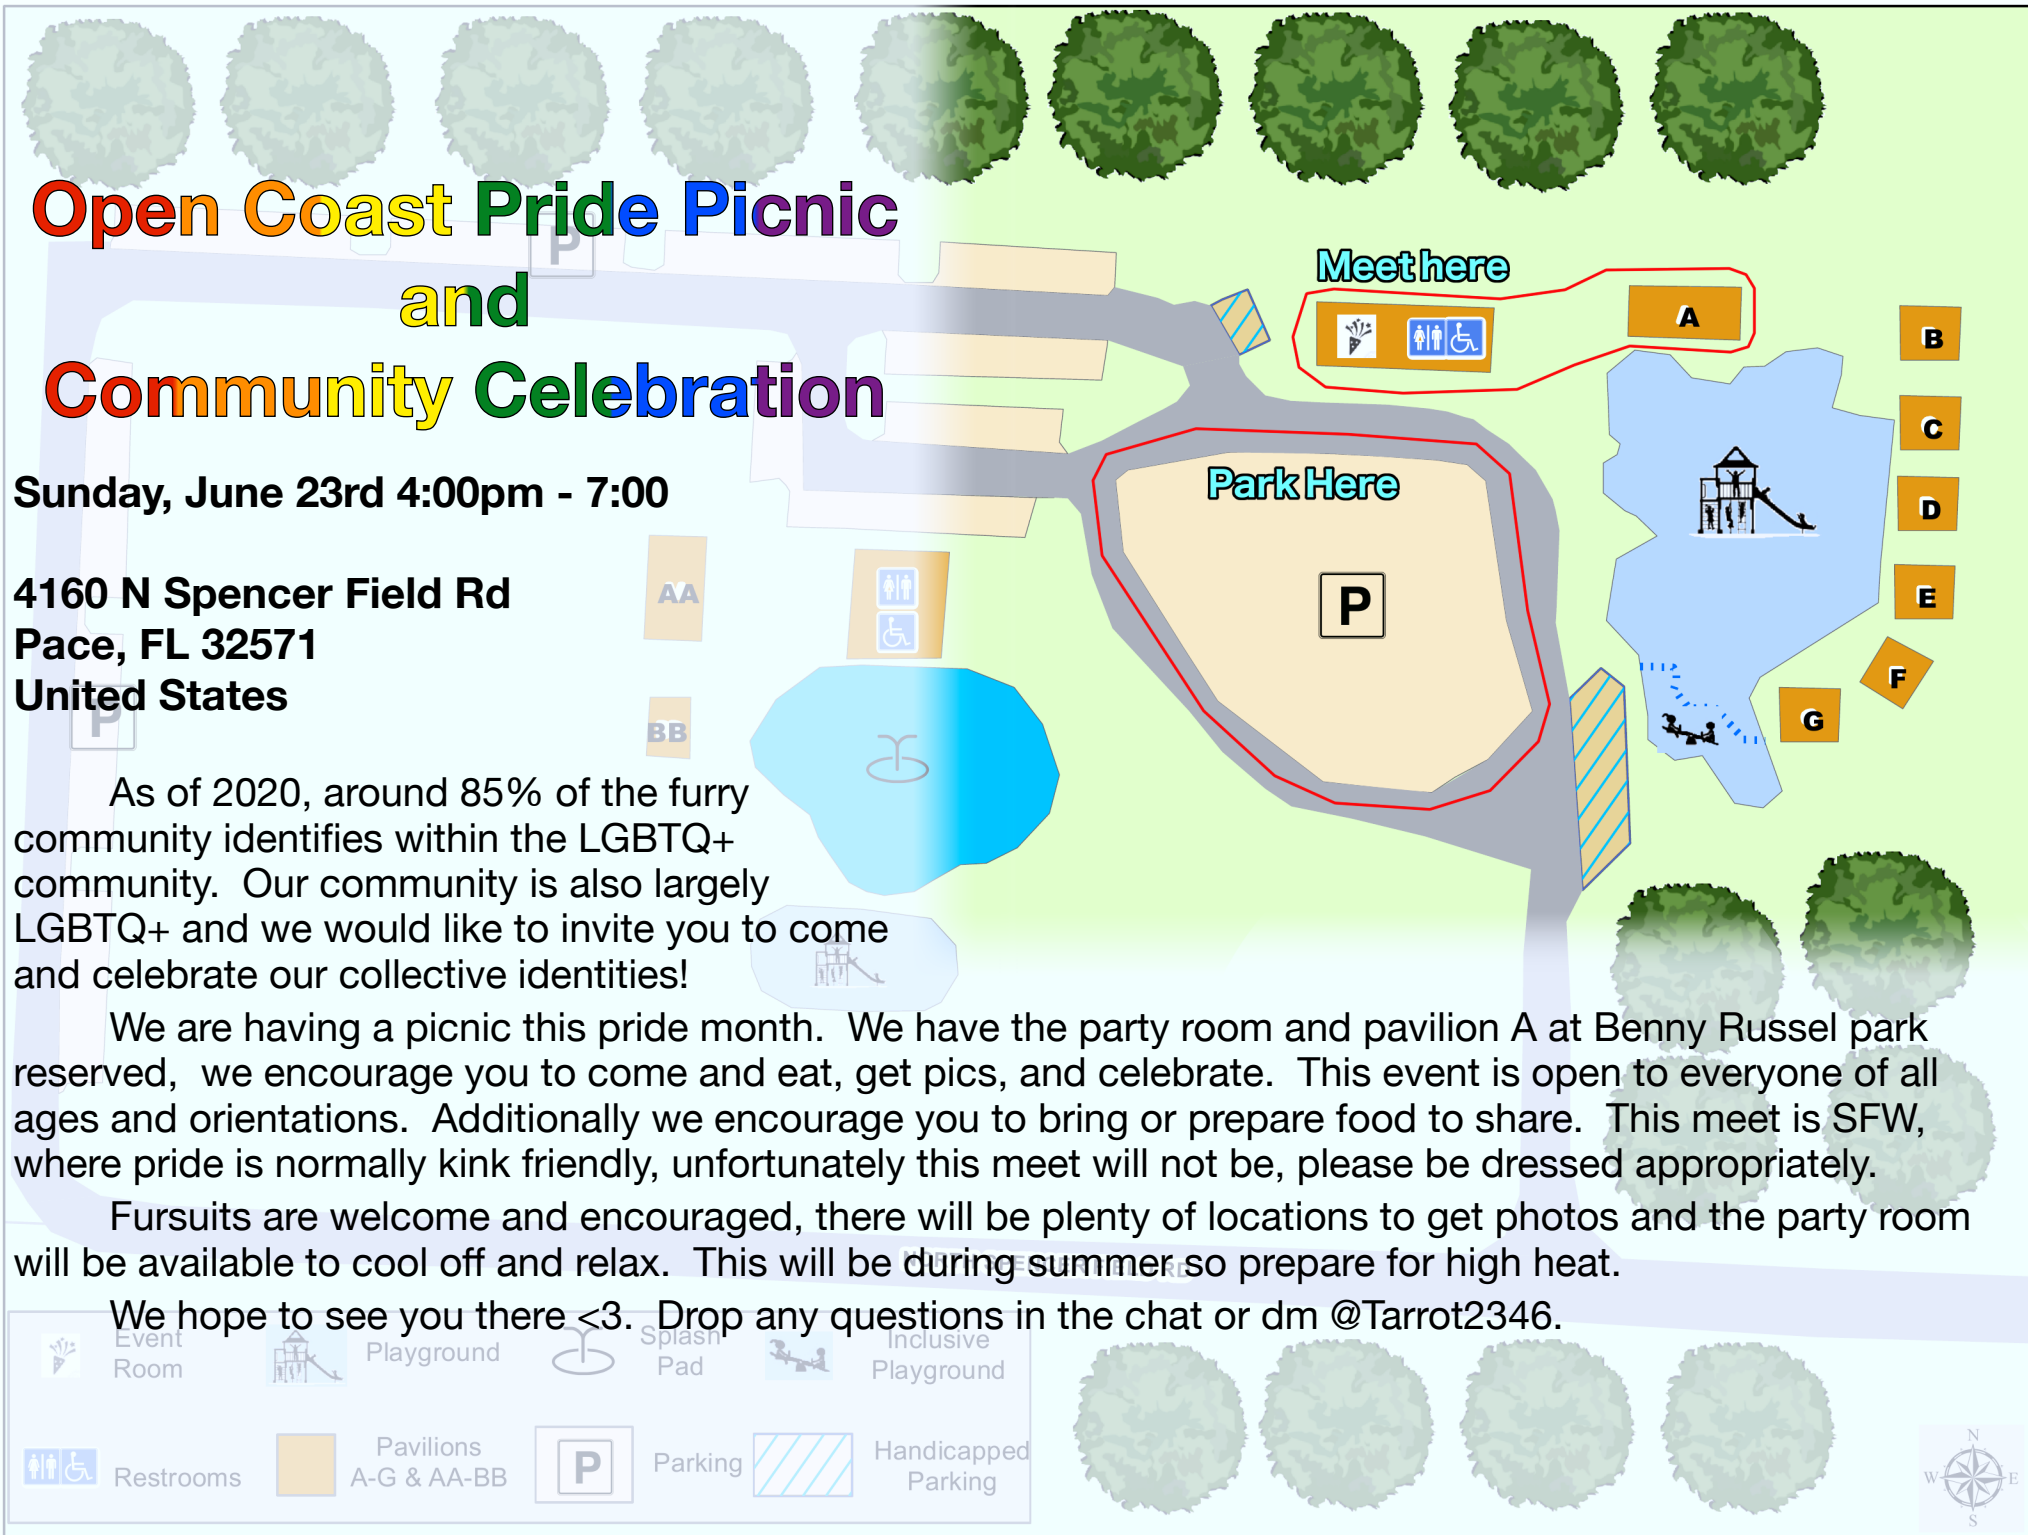

4160 N Spencer Field Rd
Pace, FL 32571
United States

As of 2020, around 85% of the furry community identifies within the LGBTQ+ community. Our community is also largely LGBTQ+ and we would like to invite you to come and celebrate our collective identities!

We are having a picnic this pride month. We have the party room and pavilion A at Benny Russel park reserved, we encourage you to come and eat, get pics, and celebrate. This event is open to everyone of all ages and orientations. Additionally we encourage you to bring or prepare food to share. This meet is SFW, where pride is normally kink friendly, unfortunately this meet will not be, please be dressed appropriately.

Fursuits are welcome and encouraged, there will be plenty of locations to get photos and the party room will be available to cool off and relax. This will be during summer so prepare for high heat.

We hope to see you there <3. Drop any questions in the chat or dm @Tarrot2346.
